

Dear users,

It's possible to receive e-mail notification about SUM forum news.

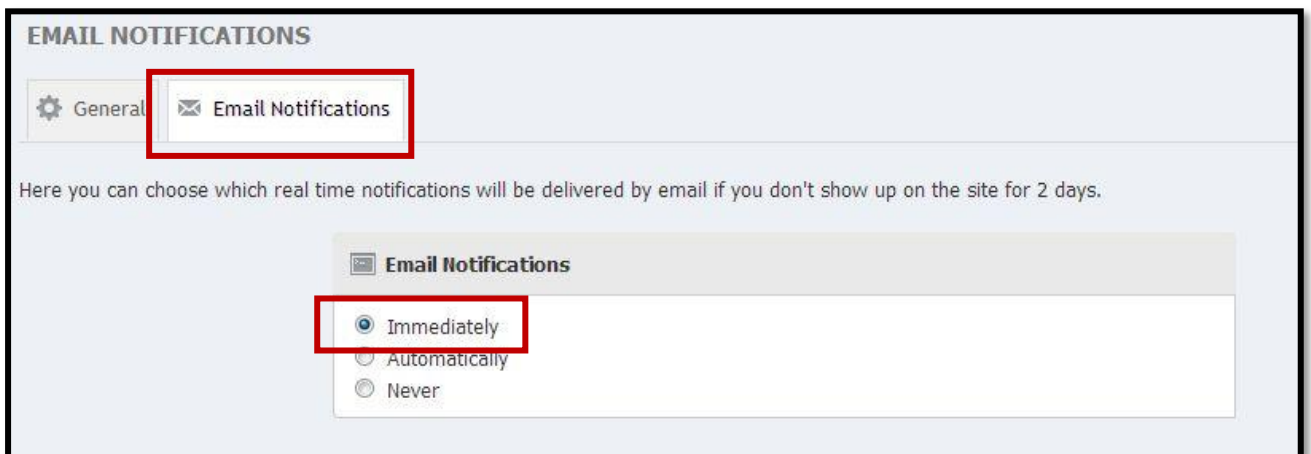

You have to:

## 1) Edit preferences in your profile

→ Go to link “My Preferences”

→ click on “e-mail notification” and check “immediately”.

→ then, if you want to receive e-mail notification about forum, check “someone posts a reply in a forum topic” in the forum box

→ Don't forget to save your preferences

## 2) Subscribe forum topic you are interested in

→ go to a forum topic and check “subscribe to new posts” that you find on the right.

Dear partners, as you can easily understand, we need to take decisions about this topic. We have scheduled a meeting of our working group in mid-November. By that time, if we have not received your views on this matter, we will proceed by taking appropriate action. Of course we will keep you informed of everything.
